### Noah's Ark Question and Answer

#### Q. How Did Noah Take Care of the Animals?

The same way you take care of your dog or cat—just on a much bigger scale. Noah had lived a long time before the waters came, and God gave him the plans for the ship. So, we can be sure God equipped this Flood survivor to care for the animals. Creation scientists have explained many ways eight people could do the job.

### Troubled Times –

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land. 2 Chronicles 7:14

There is no doubt we are living in troubled times. We could go to war at any time. Terrorists could attack anywhere at any time. There is turmoil and dissention everywhere you look. I am sickened by most of what I hear and see on the news – both nationally and internationally.

I try not to worry about what is happening or what might happen, because I know who holds tomorrow. I know who is and will remain in control of all things. God. Nevertheless, I also know that if there is any chance of

turning the evil situations in this world around, it will only happen when God's people follow the instructions provided in the Bible verse above.

Edmund Burke was an Irish statesman who was born in 1729. He was also an author, orator, political theorist and philosopher. Burke once said, "The only thing necessary for the triumph of evil is for good men to do nothing." I believe he was right, which causes me to wonder if you and I are doing our part to right the wrongs in this world? Are we? I suspect the answer is "No" for most of us.

Don't just GO to church; BE the church
