

Calvary Christian Fellowship Mennonite Church

Welcome to our Worship Service!

June 16, 2019

Devotional:----- Louis Kauffman

Message:----- Eli King

Offering:----- General

SS Lesson:----- Ecclesiastes 7

Adult and Youth Verse: Wisdom strengtheneth the wise more than ten mighty men which are in the city. Ecclesiastes 7:19

Intermediate Verse: I beseech you therefore, brethern, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. Romans 12:1

Junior Verse: And that ye study to be quiet, and to do your own business, and to work with your own hands, as we

commanded you. 1 Thessalonians 4:11

Primary Verse: Let him labour, working with his hands the thing which is good, that he may have to give to him that needeth. Ephesians 4:28

Preschool Verse: We should remember the poor. Galatians 2:10

SS Lesson for next week: Ecclesiastes 11 & 12

Adult and Youth Verse for next week: No theme verse

Fun Ant Facts

- It is estimated that the total number of ants alive in the world at any one time is between one and ten quadrillion (10,000,000,000,000,000).
- Ants are believed to contribute up to 25% of the total biomass weight of land based animals. That's about the same as the total biomass of the entire human race, or equivalent to approximately 1 million ants for every human.
- Ant species range in size from 0.75 mm to 52 mm (0.030 in - 2.0 in).
- Most ants are black or red in color but some species are green or metallic.
- Ants can carry 20 times their own weight.
- Ants can build small colonies of less than 100 ants through to very large colonies that occupy large areas and contain millions of individual ants.
- Colonies of ants often divide up labor, but work collectively to solve problems and support the group in a similar way to how human societies work.
- "Queen" ants are the head of ant colonies, they lay thousands of eggs. Male ants called "drones" have one role which is to mate with the queen. Non-reproducing female ants form castes of "workers" or "soldiers" who find

food, care for the queen and offspring, build the nest, and defend the colony or attack others.

- Foraging worker ants can travel up to 200 metres (700 ft) from their nest and find their way back to the colony by following scent trails left by others.
- Only female queen ants and male drones, have wings. Queen ants shed their wings after mating with a male, and seek a suitable place to begin a colony.
- Queen ants can live up to 30 years, the longest of any insect. Workers live for 1 to 3 years, while male drones usually only survive a few weeks.
- Ants can bite or sting, bullet ants, have the most painful sting of any insect, its not fatal to humans though like the sting of the Australian jack jumper ant.

Announcements:

- ✓ This Evening: Free Evening
- ✓ Wednesday Evening: Prison Service (Annex) 4:00 PM. Those to go: Jason, Louis & Nathan-Devotions
- ✓ Church Social Thurs. Eve. 6:30 P.M.
- ✓ Out of State Correspondence this week by: LaWayne & Dorcas

~BIRTHDAYS AND ANNIVERSARIES~

Happy Birthday! June 19, Galen Kauffman 1996

Happy Birthday! June 21, Steve Nissley 1969

The Love Of A Father

The love of a Father for his children
is more than provision and
protection,
leadership and guidance-
It's a part of who we are,
what we become, and the way
we serve the Lord
with our lives.
It is a strong & binding cord
that runs through the fabric
of our character....
A rock we can stand on
for courage and support...
and a foundation
that lies securely beneath us.

Mission & Vision Statement Of: Calvary Christian Fellowship

Mission: To realize our need of Christ.

To help one another on life's journey.

Vision: To surrender to Christ our Head, to walk in the Spirit, to love as Jesus loves.

To be a place where it's safe to share failures, struggles, hopes, and dreams.

To encourage, and empower one another to find God's purpose as we walk with Christ on our journey to Heaven.

To help the hurting find healing, and the lost experience salvation, in Christ.

To assist in physical needs among, and around us.
