The Boy Who Cried Wolf

Once, there was a boy who became bored when he watched over the village sheep grazing on the hillside. To entertain himself, he sang out, "Wolf! Wolf! The wolf is chasing the sheep!"

When the villagers heard the cry, they came running up the hill to drive the wolf away. But, when they arrived, they saw no wolf. The boy was amused when seeing their angry faces.

"Don't scream wolf, boy," warned the villagers, "when there is no wolf!" They angrily went back down the hill.

Later, the shepherd boy cried out once again, "Wolf! Wolf! The wolf is chasing the sheep!" To his amusement, he looked on as the villagers came running up the hill to scare the wolf away.

As they saw there was no wolf, they said strictly, "Save your frightened cry for when there really is a wolf! Don't cry 'wolf' when there is no wolf!" But the boy grinned at their words while they walked grumbling down the hill once more.

Later, the boy saw a real wolf sneaking around his flock. Alarmed, he jumped on his feet and cried out as loud as he could, "Wolf! Wolf!" But the villagers thought he was fooling them again, and so they didn't come to help.

At sunset, the villagers went looking for the boy who hadn't returned with their sheep. When they went up the hill, they found him weeping.

"There really was a wolf here! The flock is gone! I cried out, 'Wolf!' but you didn't come," he wailed.

An old man went to comfort the boy. As he put his arm around him, he said, "Nobody believes a liar, even when he is telling the truth!"

The Moral: Lying breaks trust — even if you're telling the truth, no one believes a liar.

BE KIND

As governments are trying to figure out how to ease back in to a new normal, please remember:

- 🗳️ Some people don't agree with the country/state opening.... that's okay. Be kind.
 - 🚫 Some people don't agree that the country/state ever should have closed.... that's okay. Be kind.
 - 🏠 Some people are still planning to stay home.... that's okay. Be kind.
 - 👮 Some are still scared of getting the virus and a second wave happening....that's okay. Be kind.
 - ☀️ Some people were never afraid of getting the virus and still aren't..... that's okay. Be kind.
 - 💰 Some are sighing with relief to go back to work knowing they may not lose their business or their homes....that's okay. Be kind.
 - 👤📄 Some never stopped working and were even over worked and exhausted.... that's okay. Be kind.
 - 👤📄 Some are thankful they can finally have a surgery they have put off....that's okay. Be kind.
 - 📅 Some will be able to attend interviews after weeks without a job....that's okay. Be kind.
 - 😷 Some will wear masks for weeks....that's okay. Be kind.
 - 😊 Some will never wear a mask.... that's okay. Be kind.
 - ✂️ Some people will rush out to get the hair or nails done.... that's okay. Be kind.
 - ♥️ The point is, everyone has different viewpoints/feelings and that's okay. Be kind.
 - 💔 Some people have already lost their businesses or loved ones and their lives will never be the same..... and that's actually not okay. Be kind.
- We each have a different story. If you need to stay home, stay home. But be kind. If you need to go out, just respect others when in public and be kind! Don't judge fellow humans because you're not in their story. We all are in different mental states than we were months ago. So remember, be kind.
