The name of the Lord is a strong tower;
the righteous run to it and are safe. Proverbs 18:10

As we journey through life, we will
inevitably face challenges and difficulties.
But in the midst of it all,
we can take comfort in the fact that we have a powerful
source of strength and protection – the name of the Lord.

Just as a strong tower provides safety and security
from danger, the Lord offers us a place of refuge and safety.
When we call upon His name and trust in His power,
we can find strength and courage
to face whatever comes our way.

So let us take heart and remember
that in every moment of our lives,
we have access to the unwavering protection
and love of our Heavenly Father.
May we find peace and security in His presence,
knowing that He is our strong tower
and our eternal refuge.

Quote: "The safest place in all the world is in the will of God,
and the safest protection in all the world is the name of God."
-Warren Wiersbe
