In the next few weeks we will be looking at evidences for the world wide flood...

Evidence of the Flood -by Avery Foley

“The waters prevailed and greatly increased on the earth, and the ark moved about on the surface of the waters. And the waters prevailed exceedingly on the earth, and all the high hills under the whole heaven were covered.” (Genesis 7:18–19)

Scripture teaches us the true account of the history of the world. In Genesis we read that the people God had specially created were so violent and sinful that God sent a worldwide Flood to judge their sin. The only people saved were Noah and his family. If there really was a Flood that covered the whole earth, there should be evidence left behind. This is exactly what we find.

### John Harper

The inspiring story of John Harper, a Baptist minister who was on the Titanic when she sank. He spent his final hours winning souls to Christ. As the ship was sinking he gave his life vest to another man. As he floated in the freezing water his voice could be heard asking those in the water about him "Have you been saved?" If they said no, he could be heard to say repeatedly, "Believe on the Lord Jesus Christ and ye shall be saved!" Those were his last words as he sank out of sight into the icy water. Here was a man who was truly on fire for the Lord and whose entire life was spent in intercessory prayer for sinners in need of salvation, for preaching the Good News of the Gospel of Jesus Christ, and for winning souls to Christ. Ray Comfort
