How Long Does It Take For Caves To Form?

They had to live in the clefts of the valleys, In caves of the earth and the rocks (Job 30:6).

Also Read: Genesis 8:3, 19:30; 1 Kings 18:13; John 11:38

We find cave systems all over our country and the world. I believe most of these cave systems were formed over a short amount of time, not over thousands or millions of years. When we start with the Bible, we see that Noah's flood created conditions that were just perfect for forming all kinds of intricate caves. The water covering the earth left thick layers of limestone and other layers. When the Flood ended, the mountains rose, the valleys sank, and the water flowed off the earth's surface and seeped through the soft sediments. Because water can contain acid dissolved from the air and the soil, this would eat away at the limestone, forming caves. There are also other ways caves can be formed quickly. The dramatic events associated with the flood of Noah's day provided excellent conditions for quick cave formation. -Kids Answers <https://answersingenesis.org/kids/geology/how-long-does-it-take-caves-to-form/>

~BIRTHDAYS AND ANNIVERSARIES ~

May 28, Happy Birthday! Austin Yoder, 1999

May 30, Happy Anniversary! Jonathan ♥ Mary Kathryn, 1990

 "Most Christians would like to send their recruits to Bible college for five years. I would like to send them to Hell for five minutes. That would do more than anything else to prepare them for a lifetime of compassionate ministry."
 William Booth

What is forgiveness?

Generally, forgiveness is a decision to let go of resentment and thoughts of revenge. The act that hurt or offended you might always remain a part of your life, but forgiveness can lessen its grip on you and help you focus on other, more positive parts of your life. Forgiveness can even lead to feelings of understanding, empathy and compassion for the one who hurt you.

Forgiveness doesn't mean that you deny the other person's responsibility for hurting you, and it doesn't minimize or justify the wrong. You can forgive the person without excusing the act. Forgiveness brings a kind of peace that helps you go on with life.

Golf and Ants

An inept golfer's ball flew into the rough and landed on an anthill. He tried and tried to hit the ball back onto the fairway but each time he missed and hit the anthill. Ants went flying all over the place. One ant turned to another and said, "If we are going to survive, we had better get on the ball."
