SS Lesson:-----

Hebrews 5

**Adult and Youth Verse:** And being made perfect, he became the author of eternal salvation unto all them that obey him; Heb. 5:9

**Intermediate Verse:** But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Heb. 11:6

**Junior Verse:** Woe to them that are at ease in Zion, and trust in the mountain of Samaria, which are named chief of the nations, to whom the house of Israel came! Amos 6:1

**Primary Verse:** God setteth the solitary in families. Ps. 68:6

**Preschool Verse:** "O give thanks unto the Lord, for he is good." Psalm 107:1

**SS Lesson for next week:** Hebrews 6

**Adult and Youth Verse for next week:** For God is not unrighteous to forget your work and labour of love, which ye have shewed toward his name, in that ye have ministered to the saints, and do minister. Heb. 6:10

### Beetles That See in 3D

Seeing the amazing design of the jewel scarab beetle is like looking at a sign that reads, "Made By God!"

Watching a movie in 3D isn't very enjoyable without 3D glasses. We need the glasses to see a special kind of light called circular polarization, or CP. Human eyes cannot detect this type of light without help.

Did you know that there is a special kind of beetle that can actually see CP light? God not only designed the jewel scarab beetle, *Chrysina gloriosa*, with eyes that can see CP light; but He also gave these beetles the ability to reflect CP light off their bodies. Scientists think that jewel scarab beetles might use their special abilities to communicate with each other and to hide from predators. \*

When we look at the workmanship in an intricately carved piece of wood, or the technology behind a DVD player, we know that someone created these items. Seeing the amazing design of the jewel scarab beetle is like looking at a sign that reads, "Made By God!"

We are all children of God, and his servants!...Do you think that he has no servants besides you, and that if you had devoted yourself to his service with your whole strength you could have done all that he needs – all that is needful for the establishment of his kingdom? You say you would do twice, ten times, a hundred times, more than you did. But if you did ten thousand times ten thousand more than all people have done, what would that have been in the work of God? A mere nothing! God's work, like himself, is infinite. God's work is you. Come to him, and be not a laborer but a child, and you will become a partner of the infinite God and of his world. Imagine going back two hundred years in time and trying to describe a Jumbo Jet. You say, "Where I come from, we have these huge tin cans, weighing hundreds of tons that float across the sky filled with hundreds of people." Someone says, "Do you think we are stupid? That's impossible. There is such a thing as gravity. Not even a feather can float across the sky unaided, without descending."

However, we now have discovered that when an object of a particular shape travels at a certain speed, it moves out of the influence of gravity into a higher law, the law of aerodynamics. Gravity remains, but the object supersedes it.

We have also discovered that when a person becomes a Christian, he moves out of one law into another. The law of life in Christ Jesus supersedes what the Bible calls "the law of sin and death." The Christian lives in a higher plane: "For the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death" (Romans 8:2)
