Tongues That Are Wise -by Stacia McKeever

Sometimes what we say may be true but we still should not say it. Gossip is talking about the private details of someone to others with unkind intent (PROVERBS 16:28). We may be tempted to share a secret that's not ours to share (PROVERBS 11:13, 25:9-10). Or we may be tempted to complain—to say that we don't like something or someone or are discontent with what we have (PHILIPPIANS 2:14).

In fact, Satan was the first gossip—he talked about God with Eve and tried to get Eve to doubt God's goodness (GENESIS 3:1). And he also encouraged her to be discontent with what God had so freely given them (GENESIS 3:4). Sadly, Eve foolishly listened to Satan instead of following God's path of wisdom.

We need to have tongues that know when to speak and when to stay silent. And we need tongues that, when they do speak, speak wisdom (PROVERBS 13:3, 14:3, 15:2).

Before you speak, ask yourself: Is what I'm saying necessary?

MEMPHIS, TN (WMC) - A car burst into flames on 385. Witnesses said the car was hit by another car that kept going. The crash happened on 385 near the Ridgeway exit ramp. Witnesses said the vehicle went off the road and ran into a pole. "Everybody started getting stuff to bust the windows. We had to get the man out of this car," witness Elicia Bridgforth said. With some help from good Samaritans, a K-9 officer rescued the driver from the burning vehicle before it exploded. Witnesses said the driver was pinned against the steering wheel.

"All I could find was a gallon of water, so I went back and wet him so maybe it wouldn't burn him and I could keep him as moist as possible," Corey Kilpatrick said. The group tried unsuccessfully to find a fire extinguisher. Moments later, a man ran over with a jack iron and broke through the window. "It appeared he was completely trapped in the driver's seat," Kilpatrick said. One witness caught the incident, rescue included, on camera and posted that video to Facebook. The man was carried to safety. Moments later, everyone on the scene heard the car making loud popping noises.

"I said 'this car is going to blow. Lord, please let me get this man out,'" Bridgforth said. The driver was taken to the hospital in non-critical condition. Police recovered one item from the burned car: **a Bible.**

"That is God," said Eugene McNeil. "If you don't believe it, I don't know what to say."
