### Rex

Hi! My name is Rex, and I am a dreaded Tyrannosaurus Rex! But don't worry, I am actually friendly to children, and I won't eat you. Did you know T. rexes like me were not always so scary? Back in the Garden of Eden, all dinosaurs were friendly! Then after Adam and Eve disobeyed God, some of my relatives started eating meat, like I do. When God made dinosaurs like me on Day Six of Creation Week, we ate fruits, veggies, and other plants—not meat. But after God cursed all of creation because of Adam and Eve's sin, the world was not perfect and safe anymore. So, now I use my sharp teeth and other weapons to make me a good hunter.

My teeth are like railroad spikes and can be as long as 12 inches. I have excellent stereoscopic vision, helping me spot potential prey, and a good sense of smell. Do you think my arms are funny? They need to be light and small. If they were big I would have trouble balancing since my head is so heavy. I use them to help me get up off the ground. People often say we dinosaurs lived millions of years ago. I wanted to learn more about that! I know I was created on

Day 6 with all the other land animals.

### THE NAIL

As the story goes, they built a new church building and people came from far and wide to see it. They admired its beauty! Up on the roof, a little nail heard the people praising everything about the lovely structure—except the nail! No one even knew he was there, and he became angry and jealous.

"If I am that insignificant, nobody will miss me if I quit!" So the nail then released its hold, slid down the roof, and fell in the mud.

That night it rained and rained. Soon, the shingle that had no nail blew away, and the roof began to leak. The water streaked the walls and the beautiful murals. The plaster began to fall, the carpet was stained, and the pulpit Bible was ruined by water. All this because a little nail decided to quit!

But what of the nail? While holding the shingle, it was obscure but it was also useful. Buried in the mud it was just as obscure, but now it was useless and would soon be eaten up by rust!

The moral of the story—EVERY MEMBER IS IMPORTANT TO THE CHURCH! You may, like the nail, feel obscure at times, but just like the nail, your absence is felt. When you are not present for worship, in some way the body of Christ hurts. We are ALL a part of the Lord's ministry.
